WHO IS COVERED

To be eligible for Royal RecoverAssist[®], you provided a response of “YES” to the following eligibility statements:

- You are a customer of Royal Bank of Canada or any of its subsidiaries;
- You are between the ages of 18 and 69 inclusive at the time of your application, and if you elected spousal coverage, your spouse is between the ages of 18 and 74 inclusive;
- You and your spouse (if spousal coverage is elected) are between the ages of 18 and 74 inclusive while you are covered; and
- You and your spouse (if spousal coverage is elected) are residents of Canada for at least six months of each calendar year.

WHEN YOUR INSURANCE BEGINS

Your insurance begins on the date indicated on the front page of this certificate. This is your “effective date.” Your spouse’s coverage also begins on this date if they were enrolled at the same time you were. If you enrol a spouse at a later date, their coverage will begin the day you make your first payment of premium for their coverage.

WHEN YOUR INSURANCE ENDS

Your Royal RecoverAssist[®] coverage ends on the earliest of the following dates:

- The 31st day after a premium is not paid;
- The date you are no longer a Canadian resident;
- The effective date of coverage following your 75th birthday;
- The date we stop offering it because the group policy providing this coverage has been cancelled;
- The date you notify us by telephone or in writing that you want to terminate coverage. In this case, termination will be effective on the day before your next premium due date; or
- The date you die.

If you have elected spousal coverage, your spouse’s coverage ends on the earliest of these events:

- The date your spouse reaches age 75;
- The date your spouse is no longer a Canadian resident; or
- The date your insurance ends.

If we stop offering Royal RecoverAssist[®] to customers, we will send you written notice at least 60 days before your insurance ends.

WHAT YOU PAY

The first month of coverage is provided by RBC Royal Bank at no cost to you. Thereafter, you must pay for the Royal RecoverAssist® coverage monthly — either by pre-authorized payment or by credit card — on the date your payment is due. Your bank account must be at a financial institution and your credit card must be of a type approved by us. If your bank account or credit card information changes, you must notify us immediately. Failure to do so may result in termination of your coverage.

There is a grace period during which coverage will continue for 60 days beyond the last date a payment has been made. If we do not receive payment in full by the end of this grace period, coverage will automatically end on the last date a premium was due but remained unpaid.

Your initial payment is shown on the front of this certificate (and subsequent amendments) under the heading “What You Pay”.

If you pay by Pre-Authorized Debit, you agree that:

- RBC Life Insurance Company (RBC Life) is authorized to make scheduled monthly withdrawals to pay the premium in accordance with the premium set out in this certificate, including the initial premium against the account at the financial institution below or any other financial institution that you may later designate.
- Financial Institution: Your RBC Direct Deposit Account
Type of Pre-Authorized Debit (PAD): Personal
- The PAD Agreement will terminate with respect to this certificate upon 10 days written notice by RBC Life or by you. You may obtain further information on your right to cancel a PAD agreement by visiting the Canadian Payments Association website at www.cdnpay.ca.
- In the event that a PAD is disputed, the Payor(s) agrees to contact RBC Life. For recourse purposes, this PAD is considered a personal PAD.
- You have certain recourse rights if any debits do not comply with the Agreement. For example, you have the right to receive reimbursement for any PAD that is not authorized or is not consistent with the PAD Agreement. To obtain more information on recourse rights, you may contact your financial institution or visit www.cdnpay.ca.

IF WE CHANGE THE TERMS AND CONDITIONS OF THIS INSURANCE, INCLUDING YOUR MONTHLY PAYMENTS

We may need to change the terms and conditions of this insurance and/or the amount that you and all others insured under Royal RecoverAssist® pay each month for this insurance. However, we will send you written notice at least 60 days before we change the terms and conditions of this insurance and/or increase your monthly payment with the details, including the amount of the new payment, if it has changed, and the date the changes take effect.

WHAT WE PAY

Under this certificate, all insured persons listed on the front page of this certificate are covered for accidental bodily injury resulting in hospitalization. Subject to the exclusions and limitations outlined in this certificate, you will be paid a daily benefit when an insured person is in a Canadian hospital receiving treatment for an accidental bodily injury that occurred on or after the insured person's effective date of coverage. The daily benefit will be paid for each full day they are hospitalized and are being charged for a full day's room and board, provided that the period of hospitalization is at least 24 hours. Any time spent in the Emergency Department while awaiting admission as an inpatient to the hospital will be included in the period of hospitalization even if no charges are incurred for room and board for that period of time.

The maximum number of days a daily benefit will be paid is 365 days of hospitalization per accidental bodily injury, whether accrued in one period of hospitalization or several.

If the insured person is hospitalized on more than one occasion (for the same injury or from other problems related to the injury), the maximum benefit period will be reset to 365 days, but only if 183 consecutive days have elapsed between periods of hospitalization.

The daily benefit amounts are listed on the first page of this certificate.

You will also receive a lump-sum payment equal to the total value of the daily benefits received while an insured person was in the hospital.

WHEN WE DON'T PAY

A daily benefit will not be paid if hospitalization was caused, directly or indirectly, by one or more of the following:

1. **Sickness** — Sickness, disease, natural causes (regardless of how acquired) or medical or surgical treatment (except where this treatment is rendered necessary because of bodily injury caused by accident within the scope of this insurance and within 365 days of the accident);
2. **Self-injury** — Intentional self-injury, suicide or attempted suicide;
3. **Intoxication** — any event or illness directly or indirectly related to the ingestion of alcohol, where the concentration of alcohol exceeds 80 milligrams of alcohol in 100 millilitres of blood, or while intoxicated due to the voluntary ingestion of drugs;
4. **Drugs or poison** — any voluntary ingestion of poison, toxic substances or non-toxic substances, or drugs, sedatives or narcotics, whether legal, illicit or prescribed, in such quantity that they become toxic, or voluntary inhalation of gas;
5. **Cosmetic surgery** — cosmetic treatment or cosmetic surgery, except when necessary due to accidental bodily injury.
6. **High-risk activities** — including but not limited to participating in a contest of speed, scuba diving, skydiving, parachuting, hang-gliding, rock or mountain climbing, bungee jumping, or a flight accident, except when travelling as a passenger on a commercially licensed airline; or
7. **Criminal offence** — committing or attempting to commit a criminal offence, or committing or provoking an assault;
8. **War or insurrection** — declared or undeclared war, any act of war, riot or insurrection, or service in the armed forces of any country or international organization;
9. **Terrorism or act of terrorism** — an act, including but not limited to the use of force or violence and/or the threat thereof, including hijacking or kidnapping, of an individual or group in order to intimidate or terrorize any government, group, association or the general public, for religious, political or ideological reasons or ends, and does not include any act of war (whether declared or not), act of foreign enemies or rebellion.

A daily benefit will not be paid for hospitalization in a hospital outside of Canada or for hospital stays for the primary purpose of receiving rehabilitation or palliative care.
