ARE THERE ANY GUARANTEES?	WHO IS THIS FUND FOR?
<p>This segregated fund is being offered under an insurance contract. It comes with death and maturity guarantees that may protect a policy owner's investment if the markets go down. The MER includes the insurance cost for the guarantee. For details please refer to your policy.</p>	<p>For a person seeking potential for income and long-term growth and who is a bit comfortable with the ups and downs of the market.</p>

RBC Bond Fund

HOW MUCH DOES IT COST?

The following shows the fees and expenses you could pay to buy and sell units of the fund.

ONGOING FUND EXPENSES

The management expense ratio (MER) includes the management fee described in your policy and operating expenses of the fund. The MER includes the insurance cost of the guarantee. You don't pay these expenses directly. They affect you because they reduce the return you get on your investment. For details about how the guarantees work, please refer to your policy.

MER (Annual rate as a % of the funds value): 2.16%

Trailing commission

RBC Life Insurance Company pays a trailing commission of up to 0.75% for as long as you own the fund. It is for the services and advice your advisor provides to you. You don't pay these expenses directly. The trailing commission is paid out of the management fee.

Other fees

You may have to pay other fees when you sell or transfer units of the fund. Surrender charges do not apply. However, we reserve the right to charge a \$25 fee for each transfer. We also reserve the right to change the amount of this fee from time to time.

FOR MORE INFORMATION

This summary may not contain all the information you need. Please read the policy and/or visit www.rbcinsurance.com for the financial statements and other information.
