B When this Policy is in force

B 1 When your insurance begins

Your insurance under this Policy begins on the Coverage Date, provided there has been no change in the insurability of the Life Insured between the time the application was completed and the Coverage Date. A change in the insurability of the Life Insured will be considered by us to have occurred if any answers or statement in the application, or otherwise provided as evidence of insurability, is no longer complete and true as of the Coverage Date.

For Coverage included with this Policy when it is issued, the Coverage Date is the latest of:

- a) The Policy Date;
- b) The date your first Premium is received at our office. If your first Premium is not honoured, this Policy will not take effect;
- c) The date you receive this contract or, if you reside in Quebec, the date we approve your application without modification; and
- d) The date we receive at our office all amendments, addendums and exclusions required for the Policy to take effect, signed by you.

For each additional Coverage added to the Policy after the initial Coverage Date, the Coverage Date is the Monthly Processing Day on which the new Coverage becomes effective subject to the terms and conditions of this Policy.

B 2 When your insurance renews

Renewal dates and Premiums are specified in the Policy Schedule and are guaranteed for the duration of your Policy.

At each renewal date, we will renew this Policy automatically without requesting evidence of insurability, providing all Premiums have been paid to the renewal date.

If this Policy is still in force at the Policy Anniversary nearest the Life Insured's one hundred (100th) birthday, premium payments will no longer be required and Coverage will continue.

If this Policy jointly insures two or more people, the Attained Age of one hundred (100) will be calculated from the joint Insurance Age. At the Policy Anniversary nearest the Attained Age of one hundred (100), premium payments will no longer be required and Coverage will continue.

The Death Benefit will be held without interest until the benefit becomes payable.

B 3 When your insurance ends

Insurance under this Policy ends on the earliest of the following dates:

- a) The date the Designated Life Insured dies;
- b) The date your new Policy takes effect under the Conversion Privilege, as described in provision **E 2**;
- c) The effective date of your cancellation, as described in provision **F 5**;
- d) The date we declare this Policy void under the terms in provision **F 6**; and
- e) The end of the grace period, if your Premium is still unpaid.

C Benefits provided by this Policy

C 1 Death Benefit

Upon the death of the Designated Life Insured, the Death Benefit specified in the Policy Schedule is payable to the Beneficiary subject to the terms and provisions of this Policy.

If your Coverage Option is Joint First-to-die, and a second Life Insured dies within sixty (60) days of the Designated Life Insured, we will pay a supplementary Death Benefit to the Beneficiary provided that the surviving Life Insured has not exercised the Survivor Privilege described in provision **E 1**. The supplementary Death Benefit payable will be equal to the Death Benefit under this Policy the day the Designated Life Insured died, excluding any Riders. We will not pay a Death Benefit for any subsequent deaths.

If two or more Lives Insured die at the same time, or under circumstances that make it uncertain who died first, we will deem a younger insured to have survived an older insured and the oldest such Life Insured will be deemed the Designated Life Insured.

C 2 Changing your Death Benefit

C 2.1 Increasing your Death Benefit

You may apply for an increase to your Death Benefit at any time, subject to our administrative rules and the following conditions:

1. The minimum increase allowed is \$50,000, and you must submit evidence of insurability, satisfactory to us, for each increase.
2. Each increase will consist of an additional Coverage with its own Coverage Date. The premium rates applicable to each Life Insured under the new additional Coverage will be based on the following:
 - a) The amount of additional Coverage;
 - b) The premium rates we then offer for this insurance plan;
 - c) The Attained Age of the Life Insured at the time of the change; and
 - d) The applicable Class and Risk Classification used in calculating the Premiums for this additional Coverage, based on our determination of the insurability of each applicant at the time you applied for the increase.
3. The new Coverage will be effective on the Monthly Processing Day on or following the date we have approved your application for an increase, and we will adjust your Premiums effective on that day.
4. The period within which we may contest the validity of this Policy, and the exclusion from Coverage for suicide, will apply to the additional Coverage from its Coverage Date, as described in provisions **C 5** and **F 6**.
5. The sum of the Death Benefit for all Coverages under this Policy cannot exceed the maximum Death Benefit available under this plan at the time of the increase.

C 2.2 Reducing your Death Benefit

You may request that we reduce your Death Benefit at any time, subject to our administrative rules and the following conditions:

1. All Premiums are paid to the effective date of the reduction.
2. The reduced Death Benefit will be effective on the Monthly Processing Day following the date we have received your written request. We will adjust your Premiums effective on that day.
3. The minimum decrease allowed is \$10,000, and the remaining Death Benefit must not be less than the minimum specified in our administrative rules.
4. If we have previously approved any additional Coverage for this policy as described in provision **C 2.1**, we will reduce your Death Benefit sequentially starting with the most recently added Coverage.

C Benefits provided by this Policy

C 3 When we will pay the Death Benefit

We will pay the Death Benefit to the Beneficiary upon the death of the Designated Life Insured, subject to the terms and conditions of this Policy, only after we receive any information we might reasonably request to evaluate the claim and evidence we consider sufficient to establish:

- a) That the Designated Life Insured died while this Policy was in force;
- b) The cause and circumstances of the death;
- c) The age of the Designated Life Insured;
- d) The smoking habit of the Designated Life Insured on the Coverage Date; and
- e) The right of the claimant to be paid.

We will apply similar terms and conditions to any Death Benefit payable under any Rider attached to this Policy.

C 4 When we will adjust the Death Benefit

If a Premium is due at the time of death, we will deduct it from the Death Benefit.

If the date of birth or sex of any Life Insured has been stated incorrectly, we reserve the right to increase or decrease any Death Benefit payable to the amount that would have been provided by the Premium paid using the correct age or sex. We will calculate the correct amount payable at any time after the misstatement of age or sex is discovered.

C 5 When we will not pay the Death Benefit

We will not pay the Death Benefit if any Life Insured commits suicide, while sane or insane, within two (2) years from the Coverage Date or any reinstatement date. We will refund the Premiums paid for this Policy, from the later of the Coverage Date or the date of the last reinstatement, without interest, to you.

We will not pay the Death Benefit if this Policy is declared void due to a material omission, misrepresentation or fraud, as described in provision **F 6**.

D Paying your Premiums

D 1 When your Premiums must be paid

The first Premium is due on the Policy Date. If we do not receive your first Premium, or if your first Premium is not honoured, this Policy will not take effect.

Future premium due dates are determined by the payment frequency you requested in your application. Each Premium must be paid on, or before, its due date. The amount of your Premiums is specified in the Policy Schedule.

You may change the frequency of your premium payments on any premium due date by written request and with our consent. We will accept premium payments annually, or monthly by pre-authorized withdrawal from a bank account or by any other payment method we make available at our discretion.

D 2 Grace period for paying your Premiums

If any Premium is not paid by its due date, this Policy is in default. We allow a grace period of thirty-one (31) days after the premium due date for payment of each Premium after the first. If the Premium is still unpaid at the end of the grace period, this Policy automatically terminates.

If the Designated Life Insured dies during the grace period, before the Premium is paid, we will deduct the outstanding Premium from the Death Benefit.

D 3 Reinstating your Policy after it has ended due to non-payment of Premium

If this Policy terminates due to non-payment of Premium, it may be reinstated subject to the following conditions:

1. You must make a written request for reinstatement, and submit it to our office within two (2) years after the end of the grace period and prior to the Policy Anniversary nearest the oldest Life Insured's eightieth (80th) birthday.
2. Every Life Insured who has attained the age of sixteen (16) on the reinstatement date must also sign the written request for reinstatement.
3. Every Life Insured must still be insurable by our standards. You must submit evidence of insurability and a \$50 service fee. We reserve the right to change the amount of this fee without notice.
4. You must pay each unpaid Premium from the due date of the first unpaid Premium to the reinstatement date, with interest at a rate we determine. We reserve the right to change the Class and Risk Classification applicable to each Life Insured to establish his or her future Premiums.
5. The Death Benefit, and the benefits provided by any Riders attached to this Policy, will be in the same amount as they were on the date your Policy terminated.
6. If this Policy is reinstated, the two (2) year period for contesting the validity of this Policy and for the suicide exclusion begin anew from the date of reinstatement, as described in provisions **C 5** and **F 6**.

D Paying your Premiums

D 4 Changing the Class applicable to the Life Insured

You may submit a written request after this Policy is in force to change any Life Insured's Class to a Non-Smoker Class.

We will consider such a request no more than once per year. If we approve the change, it will take effect on the Monthly Processing Day following the date we have approved your request. We will approve this request subject to our administrative rules and the following conditions:

1. We offer Non-Smoker premium rates at the time of your request.
2. You submit evidence we consider satisfactory as to the smoking habit of the Life Insured, including our then current Non-Smoking Declaration. The Life Insured must meet our definition of a Non-Smoker at the time of the request.
3. You submit a completed non-medical declaration of health for the Life Insured in our standard form, as well as any other medical evidence we might request, and we approve it.
4. We determine, based on the information submitted to or required by us under this provision, that any Life Insured's Risk Classification is the same or better than it was on the Coverage Date.
5. We reserve the right to request payment of a fee we set from time to time for underwriting expenses. We will advise you of the amount of this fee before we process your request.

1. You must submit a written request to us within sixty (60) days of the death of the Designated Life Insured. The first Premium for the new Policy must also be paid within this period.
2. The Risk Classification of any Life Insured under this Policy did not result in a Multiple extra premium or a Flat extra premium.

1. You must submit a written request for conversion to us.

3. The conversion must occur prior to the Policy Anniversary nearest the Life Insured's seventy-first (71st) birthday. If your Coverage Option is Joint First-to-die, the conversion for every Life Insured must occur prior to the Policy Anniversary nearest the oldest Life Insured's seventy-first (71st) birthday. The date your Conversion Privilege expires is specified in the Policy Schedule.
4. This Policy cannot be converted while Premiums are being waived under a Waiver of Premium Benefit Rider, unless the conversion takes place on the date your Conversion Privilege ends. In that event, the new Policy will be the permanent plan with the lowest annual Premium we offer you for conversion.
5. If you are converting the full amount of the Death Benefit of this Policy, then this Policy will end on the date your new Policy takes effect under this Conversion Privilege.
6. If you are only converting part of the Death Benefit of this Policy, then the non-converted portion will continue as per the terms and conditions of this Policy.

E. 2.1 The new Policy issued under the Conversion Privilege

The following conditions will apply to the new Policy:

1. The new Policy will be any permanent life plan we then offer you for conversion. However, any Policy provision or Rider that provides for an increasing insurance risk amount without evidence of insurability will be excluded from the new plan.
2. Policy years under the new Policy will be calculated from the Policy Date of the new Policy.
3. The conditions and provisions of the new Policy will apply from the Coverage Date of the new Policy.
4. Any evidence of insurability as well as any exclusion that form a part of this Policy on or before the date of conversion will become part of the new Policy.
5. The Death Benefit under the new Policy cannot exceed the Death Benefit under this Policy at the time of conversion and is subject to the minimum amount we allow for the new insurance plan.
6. If your Coverage Option is Joint First-to-die, you can convert it to either a new Joint First-to-die Policy or several Single Life Policies. The Death Benefit under each new Single Life Policy cannot exceed the Death Benefit of this Policy divided by the number of Lives Insured under this Policy.
7. Any Riders included in this Policy may be included in the new Policy if we offer them on the new insurance plan. A Rider may be included in the new Policy only with our consent, and may be subject to evidence of insurability.

F 3 Naming the Beneficiary

We will pay the Death Benefit and any other amounts due to be paid to the Beneficiary named in the Policy Schedule, unless you have named a new Beneficiary. In that event, we will pay the amounts due to the Beneficiary named in your last Change of Beneficiary request.

You may name a new Beneficiary for this Policy or any Rider attached to it, by filing a written Change of Beneficiary request with us at any time before the Designated Life Insured dies. The written consent of any irrevocable Beneficiary will be required. Once it is recorded at our office, the change will be effective as of the date you signed the request. A Change of Beneficiary request is not effective until we have recorded it at our office.

If no Beneficiary is living when the Designated Life Insured dies, and the Beneficiary designation then in effect does not state otherwise, any Death Benefit that becomes payable will be paid to you or your estate.

We will apply similar terms and conditions to any Beneficiary designation made under the terms of any Rider attached to this Policy.

F Information about this Policy

F 4 Transferring Ownership of this Policy

You can transfer Ownership of this Policy to another person or entity, subject to our approval and to legislation in effect at that time. This is known as an absolute assignment. If you have named an irrevocable Beneficiary, you will need his or her written consent to transfer Ownership of this Policy. We are not bound by an assignment until we receive written notice of it at our office, and we are not responsible for its effect or validity.

You may name a new Owner at any time while this policy is in force by filing a written request with us. Once it is approved and recorded at our office, the change will be effective whether or not you or the Life Insured are alive when we record the change.

If your last monthly Premium was not paid by its due date and remains outstanding, the effective date of your cancellation will be the date we receive your written request to cancel.

If your premium payment frequency is annual, the effective date of your cancellation will be the Monthly Processing Day following the date we receive your request to cancel, and we will refund the unused portion of your annual Premium.

F 6 When we will contest the validity of this Policy

We have the right to contest the validity of this Policy, or the payment of the Death Benefit or any other Policy benefits, if you or any Life Insured under this Policy have incorrectly stated, misrepresented or failed to disclose a material fact in the application for insurance, or on any medical examination, or in any written or electronic statements or answers provided as evidence of insurability.

Except in the case of fraud, we will not contest this Policy for misrepresentation after it has been in force for two (2) years during the lifetime of every Life Insured, from the later of the Coverage Date or the last date of reinstatement. If the Designated Life Insured dies during this two (2) year period, we can contest at any time.

When there is an indication of fraud, we can declare this Policy void at any time. Fraud includes but is not limited to a material misrepresentation of the smoking habit of any Life Insured. If the Policy is declared void for fraud, we will not refund Premiums paid.
