**How do you become insured?**

You become insured and this Insurance document becomes an insurance contract:

- Your name is on the **insurance application/confirmation of coverage**.
- The required premium has been paid on or before your **effective date**.
- You have completed the **medical questionnaire** if required.

Underwritten by RBC Insurance Company of Canada.
When does your coverage automatically extend?

1. If you cannot complete your trip by your return date because of the delay of a common carrier in which you are scheduled to travel, your coverage will automatically extend for the delay period to a maximum of 72 hours.

2. Regardless of the automatic extensions above, coverage will not continue beyond 365 days from your latest date of departure from your departure point.

What if you decide to extend your trip?

If you decide to extend your trip, any extension of your coverage is subject to the following conditions:

1. a. If you have not had a medical condition under your existing coverage under any of our insurances, you must request the extension by contacting us before your return date.

   b. If you have had a medical condition under your existing coverage under any of our insurances, you must request the extension by contacting Allianz Global Assistance before your return date, and the extension is subject to the approval of Allianz Global Assistance.

2. You must pay the required additional premium before your original return date.

3. If the insurance for which you require the extension is not available for the duration that includes the total number of days of your trip and any optional extension(s), your coverage cannot be extended. Instead, you may be able to purchase a new policy under the coverage:

   a. for which you are eligible; and

   b. that is available for the duration that includes the period beginning with your effective date and ending at your new return date.

4. Any extension of your coverage is subject to our approval and we reserve the right to decline the request.

The terms, conditions and exclusions of the extension policy apply to you during the extension period.

Topping Up another travel insurance coverage

If you are covered under another travel insurance coverage, you may purchase top-up coverage from us only before your date of departure from your departure point, and:

a. You must pay the required top-up premium before your date of departure from your departure point.

b. The terms, conditions and exclusions of our policy issued as top-up apply to you.

c. You cannot purchase an annual coverage to top-up a single trip (if you have travel insurance included with your credit card coverage, you can purchase an annual coverage as top-up).

d. Any top-up coverage is subject to our approval and we reserve the right to decline the request.
About Your Premium

- The required premium is due and payable at the time of purchase and will be determined according to the schedule of premium rates in effect.
- Premium rates and coverage terms and conditions are subject to change without prior notice.
- Coverage will be null and void if credit card charges are invalid, or if no proof of your payment exists.

When can your premium be refunded?

If you are not completely satisfied with this travel insurance, you may cancel it within 10 days of purchase for a full refund, provided you have not left on your trip and have not experienced an event that would cause you to submit a claim. Refunds after the 10 day will not be permitted unless:

- the supplier (tour operator, airline, etc.) cancels your trip and all penalties are waived; or
- the supplier (tour operator, airline, etc.) changes the travel dates and you are unable to travel on these dates and all penalties are waived; or
- you cancel your trip before any cancellation penalties are in effect.

Contract or Coverage Termination by Us

1 This policy is issued on the basis of information in your application or provided in connection with your application (including answers to the medical questionnaire, if required). When completing the application and answering the medical questions, your answers must be complete and accurate. In the event of a claim, we will review your medical history. If any of your answers are found to be incomplete or inaccurate:
   - your coverage will be void
   - which means your claim will not be paid

2 If you fail to meet the eligibility conditions as outlined under “Eligibility”, your insurance is void and our liability is limited to a refund of the premium paid.

3 You must repay us any amount paid or authorized by us on your behalf if we determine that the amount is not payable under your policy.

4 This contract is void if a trip is made for the purpose of obtaining a diagnosis, treatment, surgery, investigation, palliative care, or any alternative therapy, as well as any directly or indirectly related complication.

When completing the application and answering the medical questions, your answers must be complete and accurate. In the event of a claim, we will review your medical history. Co-ordination of Benefits

If you are eligible for benefits, similar to the benefits provided under this insurance, the total benefits paid to you by all insurers cannot exceed the actual incurred expense.

We will coordinate the payment of benefits from all insurers with whom you are eligible, to the maximum of the largest amount specified by each insurer.

1. In the case of out-of-country/province health care coverage:
   a. if you are retired and your former employer provides to you, under an extended health insurance plan, a lifetime maximum coverage of:
      - $50,000 or less, we will not coordinate payment with such coverage;
more than $50,000, we will coordinate payment with such coverage only in excess of $50,000; in accordance with the coordinating coverage guidelines issued by the Canadian Life and Health Insurance Association.

b  if you are actively employed and your current employer provides to you, under a group health insurance plan, a lifetime maximum coverage of:

- $50,000 or less, we will not coordinate payment with such coverage;
- more than $50,000, we will coordinate payment with such coverage only in excess of $50,000.

2 If you are insured under more than one of our policies, the total amount paid to you cannot exceed the actual expense which you have incurred, and the maximum you are entitled to is the largest amount specified for the benefit in any one policy.

3 Any of our policies are excess insurance and are the last payors. All other sources of recovery, indemnity payments or insurance coverage must be exhausted before any payments will be made under any of our policies.

4 These conditions are not applicable to benefits payable under Flight & Travel Accident Insurance.

Right to be Reimbursed (Subrogation) and Third Party Recovery

As a condition to receiving benefits under this policy, you agree that if you have a claim or right of action against any person, company or organization for the loss or expenses for which under this policy we have made payment, you shall, if requested by us, assign and transfer such claim or right of action to us. You agree that you will do nothing to prejudice our rights to recover, and you will cooperate fully with us and to allow us, at our own expense, to bring a law suit in your name against the third party.

In the event that you institute a demand or action in connection with the losses or expenses for which under this policy we have made payment, you agree to:

1  Immediately notify us of this claim and provide the name and address of the lawyer or firm pursuing this action on your behalf;

2  Advise the lawyer or firm acting on your behalf about our right to be reimbursed under this policy, and instruct any such lawyer or firm acting on your behalf to include as part of your action all amounts paid by us under this policy;

3  Keep us informed on the status of your legal action and to provide us, free of charge with such reports as we may reasonably require and details of any settlement negotiations; and

4  Reimburse us for all emergency medical, hospital, and related costs paid under the policy from any amounts you receive from a third party responsible (in whole or in part) for your injury or sickness whether such amounts are paid under a judgment or settlement agreement.
